NOTICE

Commodore Hohenstein has called a meeting of the Board of Governor's and all Committee Chairmen for Saturday, April 7, 1990. The meeting will be held at 1600 in the Yantic Suite at the Sheraton Norwich, Norwich, Connecticut. This meeting will proceed our Annual Meeting which will be held in the Leffingwell room at 1800.

One Item on the Boards agenda is the enclosed letter from our member of longest service, Phelps Brown, who was elected on 7/9/36. He recently purchased a power boat but retains his C&C 30 in Maine. I think he understands the Constitution which says in Article XI, Section 2:

Any member purchasing a motor boat or Motor Sailer will be automatically dropped from the rolls, unless he also owns a sail boat in which he regularly participates in Club races."

I also think he understands that most people are unaware of the segment "in which he regularly participates in Club races". I want your input as to how I should reply as his question is to the Board, thank heavens!

A copy of Phelps Brown's letter, my reply and an Agenda for each meeting are enclosed.

Sincerely

Neal H. O'Connell
Secretary
