SHELTER ISLAND HEIGHTS, L. I. N. Y. 11965

Dear Friends:

Don't "pack up your troubles", leave them at home and make your plans to come to The Dering Harbor Inn for your spring or summer vacation.

This is supposed to be an announcement, not an advertisement, but after traveling to several different resort areas on the East Coast this winter it is delightful to get back to Shelter Island. We found that it is almost impossible to find anywhere the outstanding food, courteous service, and personal thought and care that are our standards here at The Dering Harbor.

A relaxed atmosphere and the old-fashioned personal touch seem to be things of the past so we are excited to realize that our traditional attitude of "customer service" is still alive and vital.

We are anxious to see you again, and share our beautiful island and inn with you. Just call Betty Tybaert, our Reservation Manager, at 516-749-0900 at your earliest convenience so that you can be assured of your favorite accommodations. We have already heard from many of your friends and look forward to hearing from you.

Very truly yours,

A handwritten signature in blue ink that reads "Bruce D. Miller".

General Manager  
The Dering Harbor Inn

P.S. In response to the great demand, we will be renting accommodations on a limited services basis and at greatly reduced rates, as fast as we can get them ready in the spring, probably beginning Friday, April 3rd. Although our restaurant will not yet be open, several island restaurants will be open, and we will be serving a complimentary continental breakfast.
