RESULTS OF SPRING RACE SERIES, 1963

Attached are the final results of the 26th Annual Spring Race Series. Corrected times shown have been computed from actual elapsed time for each class to facilitate comparison of corrected times between boats of different classes.

Mel Southworth has already mailed engraved prizes to the first four boats in each class with the exception of Class C-1 wherein the first three boats received trophies.

The Club was again blessed with the closest thing to perfect racing weather. Friday saw steady southeast winds most of the day. Sunshine was abundant and seas low. 158 boats completed, making it the largest fleet in several years. Saturday was more of a challenge with light southeast breezes which proved tricky under the land at Sag Harbor buoy. Again, only pure sunshine throughout the day.

Both Friday and Saturday night shore parties were gay (but not too gay) and our hosts did a fine job in making us feel welcome.

Your contributions, which reflect your interest in maintaining the high standards of our races, are acknowledged with appreciation.

Sincerely,

OFF SOUNDINGS CLUB

Rodney Paige
Race Secretary
