Dear Bermuda Race Entrant:

As has been the custom in the past, the Flag Officers and Governors of the Off Soundings Club extend an invitation to you, your yacht and crew, to sail in the Spring Race Series, June 11, 12, 1976 in Block Island Sound. The series consists of two day races - Watch Hill to Block Island on the 11th and courses at Block Island on the 12th. Since this event is shortly before the Bermuda Race, it serves as an excellent shakedown for your whole team.

Enclosed please find the First Notice of the race along with measurement certificate and entry blank. If you do not have an Off Soundings rating, our Chief Measurer will prepare one from your IOR certificate if you will enclose a copy with your entry.

Please note our size limitation and accept our apologies if this invitation finds you over 62' LOA. The CCA entry list does not show yacht lengths and there are a number of new yachts participating.

If you have any questions that are not covered in the First Notice, do not hesitate to write or call. Please note that our closing date for entries is May 20, 1976 and is firm.

We look forward to having you with us and hope you can make it.

Cordially,

Thomas M. Russell, III
Race Secretary
