Dear Members and Guests:

Attached are the results of our Fall Race Series at Shelter Island, together with the list of Perpetual Trophy winners (members only, and without penalties) for the year 1995. This includes the winners in the combined Classes A-1/A-2, C-1/C-2 and C-4/C-5 for the years 1994 and 1995.

We have added many new things, this year. Those innovations included:

- a. Provided for the ability to select and post the course on the Committee Boat.
- b. Provided for the ability to use a drop mark in relation to (e.g. windward of) the Start.
- c. Provided for the ability to use a drop mark in relation to (e.g. leeward of) the Finish.
- d. Provided for the ability to shift the Starting Line (using Code Flag "L").
- e. Changed to a five-minute starting sequence, which allowed us to
- f. Split CR-1 and CR-2 into separate starts, which allowed us to
- g. Assign CR-1 to an earlier start and hence to a longer course than CR-2.
- h. The five-minute starting sequence would have made it more difficult for the ferry boats to pick their way through our fleet, particularly the new high-speed boat, so the Friday start location was moved east of the Thames River channel.
- i. The Saturday start location was moved one mile east, to have the capability to set a first leg to the west, should conditions dictate.
- j. Included the 12-Metre Class, with two races on Saturday, which allowed us to
- k. Have two races on Saturday for Classes C-1 and C-2.
- l. Provided for the ability to start a class on one side of the Committee Boat while finishing yachts on the other side.
- m. Changed the results-reading procedure in order to speed up the announcement process.
- n. Extended the 1995 Guest-Invitation Application deadline to two weeks prior to race entry closing, for both the Spring and Fall Race Series.

We invite your comments on any or all of these items (for that matter, on any subject you'd like). Send your thoughts to me or to Commodore Gunther. The Board of Governors meets on October 28th and it would be helpful to have your thoughts before then.

Commodore Gunther will provide the membership with a digest of the comments in his Winter Newsletter.

Through a communication error, the photo of Past Commodore Peter McFadden's yacht BAMBOO was printed in the race booklet for the Fall Race Series, instead of the photo of Commodore Bill Gunther's flagship FROYA. It went something like this: I instructed to use the

same photo as last time, intending the booklet for the Spring 1995 Race Series, and "last time" was apparently understood by the printer to mean the previous Fall Race Series booklet, for Fall of 1994. I have apologized to Commodore Gunther, and to Past Commodore McFadden, for the mix-up and will strive to get it right next spring.

Shelter Island Yacht Club has requested the person who removed the Club Burgee from the downstairs office during our Fall Race Series to return it, no questions asked.

Remember that the Mystic Seaport has a fine collection of videos of our Off Soundings Club races. These are great for your get-togethers over the winter.

Sincerely,

Dick Roberts
Richard H. Roberts
Race Secretary

P.S. Don't forget the Mystic Seaport Dyer Dhow Derby event on Saturday, October 21st.
