### HURRICANE LOSS?

The Club is endeavoring to ascertain as accurately as possible the damage sustained during the recent hurricane by its members and those who have participated in the club races. We would appreciate your dropping us a line stating the extent of the damage, if any, caused your yacht and where she was located at the time of the hurricane.

We are fully aware there were many total losses and the club is extremely sorry for those who sustained such losses.

Due to the hurricane the fall cruise and race scheduled for September 24th and 25th, in which there were 52 entries, was called off. We wish to take this opportunity of advising those who kindly sent in \$2.00 to the Race Committee that the \$2.00 will be held for the May 30th race next spring. All those who cannot participate in that event will have their money refunded.

Yours very truly,

OFF SOUNDINGS CLUB
