Mr. Peter R. Longyear
451 West 21st Street
New York, N.Y.

Dear Mr. Longyear:

I am very sorry to have to inform you that the Classification Committee of the Off Soundings Club has rejected your entry of "SEA FOX" in this Spring's race. Accordingly I am asking our Treasurer by copy of this letter to return your donation of ten dollars (\$10.00).

The reason for this action is that "SEA FOX" in the Committee's Classification of the fleet, falls in Class C. The length limit in this Class is 45 feet. Since "SEA FOX" exceeds this figure she is ineligible to participate in this race.

I plan to ask the Board of Governors at their next meeting to consider raising the length limit of Class C and if they do so I hope you will be with us in the next race.

Cordially yours,

OFF SOUNDINGS CLUB
