RICHARD H. ROBERTS, Race Secretary
60 Dart Street

October 14, 1994

Dear Members and Guests:

Attached are the results of our Fall Race Series at Shelter Island, together with the list of Perpetual Trophy winners (members only, and without penalties) for the year 1994. This includes the winners in the combined Classes A-1/A-2, C-1/C-2 and C-4/C-5 for the years 1993 and 1994.

This year we have tried some new ideas. The most notable are the use of Time-on-Time scoring and use of an Alternative Penalty system for infringements of a Rule of Part IV (Right-of-Way Rules). We invite your comments on these ideas (for that matter, on any subject you'd like). Send your thoughts to me or to Commodore McFadden. The Board of Governors meets on October 29th and it would be helpful to have your thoughts by then.

As a reminder, the closing date for receiving "Guest Invitation" requests for the 1995 Spring and Fall Race Series is March 23, 1995. Completed applications for the invitations must be in my hands on or before that date. Write me to request an application form.

For many years now, the Off Soundings Club has made it a policy that the sail number carried by each entrant in our races must comply with Rule 25 and Appendix B3 of the Rulebook. This means that the sail number carried is to be the number assigned by US SAILING (unless the yacht is of an international class recognized by IYRU -- e.g. J-24, in which case the number is to be as assigned by that class organization). I will be verifying with US SAILING the sail numbers of the entrants in our 1994 Series and soon will notify those owners where it is found that the yacht is not in compliance. Many owners have gone through the effort and expense to comply and it is unfair to them to allow others to disregard this requirement. Note that US SAILING has available for re-assignment a few low-number sail numbers that have been given up by the assignees.

For those interested in such things, on June 2nd my heart stopped and I collapsed in the street after delivering a draft sailing instruction to Ensign sailor Russ Carr's house. His son, Liam, discovered me and promptly began CPR, a skill that had just been acquired for a summer life-guard job. Paramedics were called and I was transported to Lawrence Hospital in New London and then to Yale-New Haven Hospital. Two weeks later I had a quadruple heart bypass and, a few days after that, a double bypass to address a circulation problem in the leg. Recovery is proceeding well. The good news is that I lost about 20 pounds. I am grateful to those on the Board of Governors who pitched in to keep the paperwork associated with our racing on track. In particular, I thank Bill Ames, who toiled as Acting Race Secretary over the summer.

Remember that the Mystic Seaport has a fine collection of videos of our Off Soundings Club races. These are great for your get-togethers over the winter.

Sincerely,

Richard H. Roberts
Race Secretary

P.S. Don't forget the Mystic Seaport Dyer Dhow Derby event on Saturday, October 22nd.
