Mr. Alfred A. Young, Jr., Race Secretary
Niles Hill Road
Waterford, Connecticut

Dear Fred:

With reference to Phelps Brown's letter of 2 June to Warren Dellenbaugh, copy of which you received, it is my suggestion that for the Fall Races we establish the basic rig allowance for a gaff cat boat at 90 per cent instead of the 95 per cent which we have been using.

I am sending copies of this letter to the Board of Governors so that if anybody feels that it is a mistake to take this action in a somewhat arbitrary manner they can let me know.

Pending further word, let's plan to establish it at 90 per cent as suggested above.

You have done a swell job with the race notice, and I am looking forward to seeing you Thursday evening at Burrs.

Best regards,
