TO THE MEMBERS:

I am sorry to have to report to you that on April 18, 1962, Blunt White died in Nassau, Bahamas.

As many of you know, Blunt and Marion made a trans-Atlantic crossing with me aboard Cyane this winter, and unfortunately Blunt suffered a heart attack as we were nearing Nassau in March. He was apparently making excellent progress in his recovery when a second attack occurred which he unfortunately was unable to weather.

A memorial service will be held at the New York Yacht Club Station at Mystic Seaport at 11:30 A.M., May 5, 1962. All friends of Blunt and his family will be welcome.

Blunt gave much of himself to our Club in which he was deeply interested. His membership dates back to its earliest days and in addition to many years as a Governor, he served our Club as Secretary, Vice Commodore and Commodore. We have all benefited by his influence on the management of our affairs and his ideas will continue to help in shaping our future.

We shall all miss him greatly, not only as a keen competitor, but as a real friend.
