OFF SOUNDINGS CLUB NOTICE:

Commodore Donald C. Davis' recent newsletter provided the following information to the membership.

The Off Soundings Club has again been invited to Shelter Island - Dering Harbor for the Spring Race Series to be held June 12 and 13, 1981. Final arrangements are being made with the Shelter Island Yacht Club for the rendezvous.

The Board of Governors has voted to return to Block Island and Champlin's Marina for the Fall Race Series planned for September 18 and 19, 1981.

In consideration of the steadily growing number of boats entered in the C classes and the decreasing numbers participating in the A and B classes, the Board has decided this year to have 3 classes of "conventional" boats and 5 classes of "racing" boats. The classes will be designated A-1, A-2, B, C-1, C-2, C-3, C-4, C-5 and Cruising Canvas.

The Off Soundings Club annual meeting and dinner will be held April 4, 1981 at Seamen's Inne, Mystic Seaport.

Best in Yachting,

Allen N. Anderson
