FINAL NOTICE

This booklet includes GENERAL INFORMATION, SAILING INSTRUCTIONS and CLASS ENTRY LISTING.

Off Soundings traditionally races in some rather severe weather conditions. On occasions, participants have clocked gusts in excess of 50 knots across the deck. Sound, well-equipped boats with competent crews can handle this and more. The essential point is that you can not assume because we are running a race we have somehow determined that it is safe for you to sail. That is your decision and yours alone, and in entering the race you assume full and sole responsibility for the safety of your boat and crew. We are out there to have fun, not to prove anything. If you withdraw because you do not like the conditions, you will have the respect of all of us for using your judgment.

It is probably unnecessary, but it seems appropriate to remind those of you who have entered our races of your sole responsibility for the seaworthiness of your boat and the competence of your crew. In your entry you certified your compliance with requirements that your boat is equipped as specified by ORC Category 4 safety regulations, as adopted by OSC in January 1987 as a minimum. You also acknowledge your direct responsibility as Master/Captain on advising underage crew members of the prohibition on their drinking at Off Soundings Club events,

PLEASE NOTE THE FOLLOWING:

1. The Committee Boat will be the 64-foot motor yacht EMPRESS.
2. The Committee Boat will be docked at Ram Island Yacht Club on Thursday night September 13, and will have additional copies of this booklet available aboard.
3. The RENDEZVOUS FRIDAY, SEPTEMBER 14 and SATURDAY 15 will be at the Shelter Island Yacht Club at Dering Harbor, Shelter Island, New York. Bring your trash (garbage) ashore with you (in plastic bags) and deposit them in the bin so that Dering Harbor will remain as yachtsmen would want it. Your efforts in the past in picking up cups after the announcements have been appreciated. Moorings will be available on a first come first serve basis as pointed out by the Shelter Island Yacht Club launch operators. A charge of \$15.00 will be made on a per-night per-boat basis whether directly moored or rafted or anchored within the Shelter Island grid and will be collected by Shelter Island Yacht Club.
4. TRANSPORTATION ashore will be provided by several, fully capable launches flying the Shelter Island Yacht Club burgee. These launches will be at our service, without charge to race participants between the hours of 1400 and 0130 Friday and Saturday evenings. They will also be available between 0700 and 0900, Saturday and 0700 and 1100 Sunday. The launches appreciate the showing of "T" flags. Please display an OSC burgee or other OSC identification (e.g. this booklet) to the launch drivers.
5. In case of EMERGENCY, there will be a physician on board the patrol boat as well as several physician members "on call" throughout the fleet. Should you have a medical emergency on your boat, call the Committee Boat which will be monitoring Channel 9 and they will dispatch assistance.

CRUISING CANVAS (CHARLIE)

While at Shelter Island emergency calls can be made to:

Greenport Emergency Room
(516) 477-1000

Police
(516) 749-0600

6. The Shelter Island Yacht Club Dining facilities will be available to Off Soundings Club race participants. Lunch is served between 1200 and 1500 hours and Dinner between 1800 to 2200 hours. A special buffet will be offered Friday night which will include chicken, roast beef, several salads, corn, brownies, etc. for \$18.50 plus tax and tip. No reservations are required. The regular menu will be offered Saturday and reservations are desirable, (516) 749-0888. Box lunches can be arranged for the evening before you need them.

7. The following PERPETUAL TROPHIES will be awarded (members only) at the Winter Shore Party for the yacht and master with the best corrected time in the years' races. Penalties for former prize winners are not used in establishing winners. These trophies are held for one year; however, winners are given a suitable plaque as are second and third places.

TROPHY NAME	CLASS	TROPHY NAME	CLASS
Stan Bradford	A-1	Henry B. duPont Memorial	C-3
Kenneth B. Millett	A-2	MAGIC trophy	C-4
SAMUEL PEPYS Trophy	B	Charles J. Kock	C-5
Beauford H. Reeves Memorial	C-1	CHANTEYMAN Trophy	Cruising
Bryon N. Durfee	C-2		Canvass

These additional trophies will be awarded as follows:

- (1) The G. W. Blunt White Memorial Trophy will be awarded to the Yacht with the best combined results, Spring and Fall, for two consecutive years in classes A-1 and A-2. The award will be made this year on the basis of the results for years 1989 and 1990.
- (2) The NOR'EASTER Trophy will be awarded to the Yacht with the best combined results, Spring and Fall, for two consecutive years in classes C-1 and C-2. The award this year will be made on the basis of the results for the years 1989 and 1990.
- (3) The MADRIGAL Trophy will be awarded to the yacht with the best combined results, Spring and Fall, for two consecutive years in Classes C-4 and C-5. The award this year will be made on the basis of the results for years 1989 and 1990.

Club members may obtain our club tie for \$13.00, a gold bullion pin-on blazer patch for \$10.00, a tie clasp for \$8.00, cap buttons for \$5.00, burgee brooch pins for the ladies \$5.00 and burgees for \$20.00 from your Treasurer, Leslie Bowman, 15 Sharon Lane, Old Saybrook, Connecticut 06475 whose phone number is (203) 388-1655.

Good sailing and we look forward to seeing you at Shelter Island.

Cordially,

Andy N. Anderson
Race Secretary

PS: Please reserve Saturday, October 20th for the Mystic Seaport Dhow Derby event.

OFF SOUNDINGS CLUB

FALL RACE SERIES SEPTEMBER 14-15, 1990

SAILING INSTRUCTIONS

1.0 Rules

- 1.1 The Race Series will be governed by the Constitution of the Off Soundings Club (which is concerned with S.I. 14.4 of these Sailing Instructions), the 1989-1992 International Yacht Racing Rules (referred to herein as "Rules"), the Prescriptions of the USYRU and by these Sailing Instructions (referred to herein as "S.I.s"). The Series is classified as a Category A event, as described in Appendix 14 of the Rules.
- 1.2 Alternative penalties of Appendix 3 do not apply. New **Fundamental Rule D** requires a yacht to retire promptly when she realizes she has infringed a Rule.
- 1.3 Yachts shall conform to the ORC Category 4 requirements as adapted by the Off Soundings Club.
- 1.4 Yachts equipped with permanently installed radar are required by Federal Law to operate it in times of low visibility or be subject to liability charges in the event of collision, etc. Consequently, the use of radar cannot be prohibited. However, in the interests of fair racing, owners of yachts so equipped are urged not to use radar to their racing advantage.
- 1.5 A yacht withdrawing from a race shall communicate promptly with the Race Committee, on Channel 9 VHF-FM, or with OSC officials at Shelter Island Yacht Club to advise of the withdrawal.
- 1.6 Off Soundings Club rules require that at least one of the persons in whose name a yacht is entered (Master) **must be on board for each race and in command** of that yacht. In the case of guests, only the guest, himself, can be the Master and must be aboard and in command for each race.
- 1.7 The Off Soundings Club will adhere to and enforce Rule 25 regarding sail numbers. Note that Rule 25.2 contains requirements which prohibit the use of numbers of an artistic or "trademark" design on sails made after May 1, 1989.

1.8 These regulations apply to the Cruising Canvas Class:

- a. Only Off Soundings Club members may enter.
- b. Spinnakers (including mizzen spinnakers) may not be used. All headsails must be attached along their length to the headstay by means of either hanks or a slotted headstay. This does not exclude roller-furling headsails. Headsail girths measured from the luff to the leech must be no greater than their proportional distance from the head.
- c. Spinnaker poles may be used as whisker poles. Whisker pole length is limited to 80% of LP or spinnaker pole length, whichever is greater.
- d. Only one sail at a time, other than forestaysails on standard double-head rigs, may be tacked forward of the mainmast (foremast on schooners). This does not prohibit a transient condition (i.e., during a sail change evolution).
- e. Use of other sails, such as mules, mizzen staysails, is permitted.
- f. Yachts must meet all Off Soundings eligibility requirements.

2.0 Harbor Start

- 2.1 At 0800 Friday and Saturday the Race Committee will broadcast "Off Soundings Club Harbor Start" on Channel 9 VHF-FM to signal that the Committee Boat is underway for the Starting Line. Should there be an Advance Postponement (see S.I. 7.1), this will be broadcast instead. Stay tuned to Channel 9 VHF-FM until 0815 to receive any special race instructions or other information that may be transmitted during that 15-minute period.

3.0 Class Flags

- 3.1 A class flag must be flown at all times during the race series. That flag shall be no smaller than size "0" (12" x 15"). It shall be flown vertically, as far forward as possible, from the pulpit. Failure to fly this flag is not a reason for disqualification.
- 3.2 International Code Flags assigned as Class Flags are given in Table 1.
- 3.3 Note that Class Flags may be used to designate classes affected by signals displayed by the Race Committee, in accordance with Rule 4.1.

5.4 Restrictions: Friday:

1. Yachts shall not pass between Little Gull Island and Plum Island.
2. Short course yachts shall pass to the northward of Mark "1GI". Mark "1GI" is exempt from the identification requirement of Rule 9.2, for short course yachts.

6.0 **The Start**

- 6.1 Races will be started in accordance with Rule 4.4(a), System 2 with classes starting in ten minute intervals as shown on Table 1.
- 6.2 The Starting Line will be between orange flags on the Committee Boat and on the Stake Boat.
- 6.3 On Friday, the Committee Boat will be located approximately 0.8 miles bearing 239° magnetic from New London Ledge Light. The Stake Boat will lie to the eastward of the Committee Boat and will be flying an Off Soundings Club burgee.
- 6.4 On Saturday, the Committee Boat will be located approximately 0.5 miles southerly of Mark "N". The Stake Boat will lie to the northward of the Committee Boat and will be flying an Off Soundings Club burgee.
- 6.5 A stand-off buoy may be anchored twenty yards, more or less, from the Committee Boat and/or Stake Boat. A **starting** yacht touching it or passing between it and the Committee Boat or Stake Boat is considered to have touched a starting mark and shall exonerate herself by making two complete 360° turns, consisting of two tacks and two gybes, as described in Rules 45 and 52.2(a). These turns may be made after starting.
- 6.6 A yacht whose Warning Signal has not been made shall keep clear of the starting area and of all yachts whose Warning Signal has been made. The starting area is defined as that area extending from 100 yards on the course side of to 500 yards behind the starting line in depth and extending 250 yards beyond each end of the starting line in width.

7.0 **Postponements**

- 7.1 Advance Postponement: Where, before leaving the harbor, the Race Committee chooses to postpone a start, it will use the standard postponement procedures, with the addition that the end of the postponement will be the Harbor Start or the cancellation announcement. The Race Committee, upon hoisting the Answering Pennant, will broadcast "Advance Postponement" to the fleet by radio on Channel 9 VHF-FM and, upon lowering the Answering Pennant at the end of the postponement, will broadcast "Off Soundings Club Harbor Start" as provided in S.I. 2.1, or "Race Cancelled", as provided in S.I. 9.1.
- 7.2 Standard postponement procedures are given in Rules 4.1 "AP" and 4.3(b) and (d).

8.0 Recalls

- 8.1 Individual recalls will be signalled by the display of Code Flag "X" with one horn signal for each yacht over early. Rule 8.1 is modified accordingly. The Race Committee will attempt to identify early starters by sail number, or to broadcast "All Clear," on Channel 9 VHF-FM. A racing yacht starting early and failing to restart properly will be penalized by having thirty minutes added to her elapsed time; Rule 51.1(b) is modified accordingly.
- 8.2 General recall signals and procedures will be as specified in Rule 8.2. The Preparatory Signal for the next normal-sequence class to start will be made one minute after the General Recall signal is lowered; Rule 4.1 "First Substitute" is modified accordingly. The class recalled will start after the last normal-sequence class has started. In the event of a recall in more than one class, the recalled classes will start in the order recalled. The Start Signal for the last normal-sequence class will be the Warning Signal for the first class restarting. Preparatory and Start Signals and Class Flags will be those normally used for the restarting class.

9.0 Race Cancelled

- 9.1 If the Race Committee elects to cancel Friday's race, it will do so by displaying one of the following signals and firing three guns:

Code Flags "N" over "H" Friday's race is cancelled. Saturday's race will be run "Here", using the Instructions listed for Friday. This cancellation signal **will apply to all classes, including those already started.**

Code Flags "N" over "Y" Friday's race is cancelled. Saturday's race will be run "Yonder", (Shelter Island) using the Instructions listed for Saturday. Proceed at will to Shelter Island. This cancellation signal **will apply only to those classes not yet started.**

The Race Committee will endeavor to broadcast "Race Cancelled," together with the race location decision, over Channel 9 VHF-FM as soon as the decision is reached and again at 15-minute intervals and on the hour for as long as deemed necessary to "pass the word." If possible, "Race Cancelled," together with the race location decision, will be announced at the scheduled time of Harbor Start.

- 9.2 If the Race Committee elects to cancel Saturday's race, it will do so by displaying Code Flags "N" over "First Substitute" and firing three guns. The cancellation signal will apply only to those classes not yet started. The Race Committee will endeavor to broadcast "Race Cancelled" over Channel 9 VHF-FM as soon as the decision is reached and again at 15-minute intervals and on the hour for as long as deemed necessary to "pass the word." If possible, "Race Cancelled" will be announced at the scheduled time of Harbor Start.

10.0 Short Courses – Friday and Saturday

- 10.1 If, in the discretion of the Race Committee, a class or several classes normally sailing the Long Course will, in all probability, not finish within the time limit, the Short Course will be signalled. The Short Course is that course sailed by Classes B, C-5 and the Cruising Canvas Class.
- 10.2 The signal for the Short Course is Code Flag "S", hoisted before or with the Preparatory Signal. This signal will apply to the next class to start and to all subsequent classes. Two long horn signals will call attention to Code Flag "S". Rule 4.3 is modified accordingly.

11.0 Shortened Course

- 11.1 The Race Committee may elect to shorten the course at any rounding mark, as provided by Rules 4.1 "S"(c), 4.3(b) and 5.4(c). See also S.I. 3.3.

12.0 The Finish

- 12.1 For both days, the Finish Line will be between an orange flag on the Committee Boat and Mark "N". The Committee Boat will be southerly of Mark "N". On Friday, if the Committee Boat cannot reach the Finish Line in time, the Finish Line will be established by an auxiliary Committee Boat.

13.0 Time Limit

- 13.1 Regardless of the time of start, the time limit for each class will expire at 1700 each day. If any yacht finishes by that time, it is a race for her class.
- 13.2 At approximately five minutes after the expiration of the time limit, the Race Committee may announce on Channel 9 VHF-FM a statement of the classes which had no finishers before the deadline and, therefore, for which there is no race.
- 13.3 The Race Committee may remain on station only one hour after the time limit. A yacht finishing after the Committee Boat has departed should take her own time and report it to the Race Committee Chairman as soon as possible, in accordance with Rule 51.6.

14.0 Protests

- 14.1 Comply with the provisions of Rule 68. Inform the Race Committee immediately after crossing the Finish Line.
- 14.2 Protests shall be in writing, using special Off Soundings Club Protest Forms. Those Forms are obtainable from Committee Boat EMPRESS, from the Race Secretary's yacht TIGRESS or from the Entertainment Committee Headquarters ashore.
- 14.3 Submit the completed Protest Form to the Protest Committee as soon as possible - - no later than one hour after EMPRESS docks. Remain within earshot of the public address system to hear where and when the protest hearing will be held.
- 14.4 The Off Soundings Club Constitution does not allow the decisions of its Protest Committee to be appealed.

15.0 Scoring

- 15.1 All Classes will be handicapped using PHRF. Course lengths used for handicapping may vary from the rhumb-line distances.
- 15.2 As is customary for Club races, standings are given on a "corrected time" basis computed from the combined results of two days of racing. After each day's race, tentative results will be announced. Complete results will be mailed later to members and guests.
- 15.3 Any yacht winning a first, second or third, place will carry a penalty until the yacht and Master have participated in three additional race series. The penalties are 15% for each first place, 10% for each second place and 5% for each third place, for a maximum of 45% total penalty. Penalties under PHRF are calculated from the basic relationship of USYRU time allowance to rating, with the appropriate substitution of PHRF Number for the linear rating.
- 15.4 Penalties may be worked off in three race series. To work off a penalty, the Master must start each official race in each series and either be identified as a finisher or submit a **written** withdrawal to the Race Secretary as soon as possible. Penalties will be removed after five race series, sailed or not.

16.0 Prizes

- 16.1 Four prizes will be awarded in each class. Prizes will be mailed to the winners if not picked up at the prize ceremony Saturday night. All prizes are donated by the Off Soundings Club.
- 16.2 Perpetual trophies will be presented at the winter shore party for the yacht and Master with the best corrected time, without penalties, in the year's races in several categories. Winners, and second and third places, will be awarded keeper plaques. Perpetual trophies and criteria are described in the accompanying General Information section.
