

If protest is necessary:

1. Immediately display the red flag in the starboard rigging.
2. Verbally inform the Race Committee on the Committee Boat immediately after crossing the finish line.
3. Leave a brief written summary with the Race Committee who on Friday will be at the Maidstone Marina and on Saturday at the Shelter Island Yacht Club. Remain within ear shot of the public address system to hear where and when the protest meeting will be held. The Chairman of the protest committee will announce the time and place of the meeting.

FOR RACE

1. Government marks may be disregarded, except for those marking the course being sailed.
2. In case of thick weather, yachts rounding course marks must see and identify each mark being rounded. It is not sufficient to assume that a mark has been rounded by the yacht's presumed position.
3. Yachts are not to pass between the Ruins and Gardiner's Island.

AT FINISH

1. Identification number is to be displayed a half mile from the finish line and faced toward the Committee Boat so that it may be clearly seen. See instructions on back of yellow number card.
2. TIME LIMIT: Regardless of time of start, the time limit for each class will expire at 5:00 P.M. If any yacht finishes by that time, it is a race for her class. However, the Race Committee Boat will not remain on station after 6:00 P.M. Yachts finishing after that time should take their own time and report it to the Race Committee Chairman as soon as possible.
3. FINISH LINE - NOTE CHANGE: In the event of a very slow race, when finishing the prescribed course is certainly impossible, the Race Committee may elect (but will not guarantee) to establish a finish line at the last turning mark of the prescribed course. That is, the Ruins the first day, or N"2" off Sag Harbor the second day.
4. On Friday, if the Race Committee Boat SUNFLOWER cannot reach the finish line at Three Mile Harbor in time, the finish line will be established by LOUBENVAR, a 38-foot white sport fisherman with flying bridge, Ben V. Harrison, Jr., Captain.

PROTEST

A member of the Race Committee will be aboard the Committee Boat to observe any infraction of the rules, should they occur.

NAYRU rules shall apply throughout the race, except when meeting non-racing boats, at which time Rules of the Road shall govern. The racing rules are concise and easy to learn. Your familiarity with them will make for a better race for everyone. Know your rights but consider your competitors, particularly when steerageway is questionable.

CLASSES B-2 and C-2 ----- Short Course 15.10 miles

Cross starting line; thence to BW Bell off entrance to Greenport, leave to starboard; thence to N "14" (Crow Shoal), leave to starboard; thence to N "2" off entrance to Sag Harbor, leave to starboard; thence to finish line at BW Bell off entrance to Greenport and white flag on Committee Boat.

FOR START

1. An orange "stand-off" buoy with flag will be anchored twenty yards, more or less, from the Race Committee Boat. No STARTING yacht may touch it or pass between it and the Committee Boat without re-starting by rounding the Committee Boat to cross the line in the proper manner. Yachts so restarting shall forfeit all rights, as though they had started early.

NOTE..NOTE..NOTE...This is a Stand-Off buoy which may not be exactly on the prescribed starting line. For timing and starting purposes, the end of the line remains the WHITE FLAG on the Committee Boat.

2. Yachts not starting must keep well clear of the starting area until after the warning signal for their class.
3. Running of engines after the Preparatory Signal for her class will disqualify a yacht.
4. Recall signal will be a blast of a whistle for each yacht recalled. A yacht failing to hear or heed such whistle will be penalized by having one-half hour added to her elapsed time.
5. Postponement will be for 15-minute periods and will be signaled by code flag "P". Attention to this signal will be called by two guns. The warning signal (white shape) will be made thirty seconds after the lowering of code flag "P". If postponement is made after the start of the first class, there will be a warning signal (shape to be start signal of previous class) five minutes before the preparatory gun of the next class scheduled to start.
6. Short courses for Classes A-1, A-2, B-1, and C-1 will be signaled by code flag "S". Attention to this signal will be called by one gun.
7. Race off for the day will be signaled by code flag "O". Attention to this signal will be called by two guns.

If necessary, transmission will be made at:

0800 - General information and race instructions.

1800 - General information and race instructions.

At approximately 1710 hours, there will be announced from the Committee Boat on the frequencies and in the sequence indicated above a simple statement of those classes for which there has been a finisher before the 1700 hours deadline, and therefore a race that day; and a statement of the classes which had no finishers before the 1700 hours deadline, and therefore for which there is no race that day. Contestants are directed not to call the Committee Boat for such information, and the Committee Boat is relieved of any obligation to respond to any such queries. This would in no way preclude emergency procedures which properly should be made on 2182 kHz and 156.8 MHz-Channel 16.

RADIO TELEPHONE INSTRUCTIONS

As an aid to participants in the Fall races, announcements are planned at specified times via radio telephone. For those vessels without radio telephones or other marine receivers, it should be noted that all appropriate signals will be shown on the Committee Boat and take precedence and are in effect whether or not they are transmitted via radio telephone.

Vessels who may transmit are: the Committee Boat, SUNFLOWER; message relay boats; NIGHT HAWK, Chester A. Patterson; and LOUBENVAR, Ben V. Harrison, Jr.

Frequencies to be used are: 2638 kHz (2738 kHz 5 minutes later), Channel 6 VHF-FM (5 minutes after 2738).

for participants at Three Mile Harbor. We urge you, if you have no dinghy, to take people ashore in your own vessel, using the outer bulkhead for unloading. Skippers will then be picked up by the power boat.

When rafting together, several anchors should be put out. The anchorage is none too large for the size of the fleet and serious damage can result if a weather change during the night causes any of the boats to drag through the fleet.

Plan to head for the starting line early enough Saturday morning to permit all boats to get to the line with time to spare. Boats without power should arrange to be towed out through the channel.

Saturday, September 13th: The rendezvous will be at Dering Harbor, Shelter Island. Our host will be the Shelter Island Yacht Club. Please make your dinner reservations early and directly with the Shelter Island Yacht Club. Again, rafting will be resorted to and several anchors per raft can prevent damage.

Thank you all very much for filling in the description of your vessel as to class, design, etc. on the Entry Blank. This has made the work of our measurer, Bill Ames, much easier and is much appreciated by all of us.

In the past we have had some unfortunate results because of unauthorized launches that come from places other than Shelter Island. These launches usually have no fenders or flashlights, and the owners, on occasions, have badly scarred up the topsides of a variety of yachts. To preclude this, Shelter Island is briefing a number of people that they know to run the launch service. These will be adequately padded, the boys will have flashlights, and you can identify these approved launches, as they will be flying the Shelter Island Yacht Club burgee.

If you carry your own dinghy, we urge you to use it. Please restrain your crew from "borrowing" dinghies without permission.

There is an anti-pollution ordinance in effect at Three Mile Harbor. You are all urged to make maximum use of shoreside facilities. Please do not dump while in harbors. If this is done, we will not be welcome again.

The Navy has been requested to suspend air operations in the restricted area around the Ruins on both race days.

Additional copies of notices, instructions, rating sheets, etc. will be available from the Race Secretary on VOLUNTEER at Burr's Dock Thursday evening, September 11th.

These Handicaps are applied to rating lengths.

All prizes are donated by the Off Soundings Club.

After each day's race, tentative results will be announced. Complete results will be mailed later to all members and guests on our mailing lists. Prizes will be engraved and mailed to winners if not picked up at Shelter Island Yacht Club after the final results.

PERPETUAL TROPHIES (Awarded to members only)

The following perpetual trophies will be awarded at the Winter Shore Party for the yacht with the best corrected time in the year's races. Penalties for former prize winners are not used in establishing the winners. These trophies are held for one year and upon their return, the winner is given a suitable plaque.

<u>TROPHY NAME</u>	<u>CLASS</u>	<u>TROPHY NAME</u>	<u>CLASS</u>
E. Standish Bradford	A-1	Charles J. Koch	B-2
Kenneth B. Millet	A-2	Beauford Reeves	C-1
Samuel Pepys	B-1	Byron N. Durfee	C-2

A new perpetual trophy, the G. W. Blunt White Memorial Trophy, a gift of former Vice Commodore Thomas L. Miller, shall be awarded to the yacht with the best combined results, Spring and Fall, for two consecutive years in Classes A-1 and A-2. The award shall be made this year on the basis of the results for the years 1968 and 1969.

RENDEZVOUS

Thursday, September 11th: Dock and mooring space at Burr's and Marster's docks in New London will be at a premium. As rafting will have to be resorted to, please use all precautions to prevent damage.

For those participants arriving by car Thursday night, there is a large parking lot located just to the south of Burr's, across the street from Marster's dock. Pete Bergamo at Burr's is most cooperative and indicates that you are welcome to unload down in their parking area.

Friday, September 12th: We will rendezvous at the Maidstone Marina at Three Mile Harbor. Please refer to reservation sheet sent with First Notice.

While the club charters three Coast Guard licensed power boats to take people ashore, the limited capacity of these boats create an inconvenience

## OFF SOUNDINGS CLUB

September 5, 1969

OFFICE OF  
RACE SECRETARY  
MYSTIC SEAPORT  
MYSTIC, CONN. 06355

Area Code 203 536-2631

### FINAL NOTICE

Enclosed in the envelope are the following:

1. Race instructions
2. Rating sheet
3. Identifying number (to entrants)
4. Identification list
5. Membership posting (members only)

Please be reminded that our Off Soundings rules require that the person or persons in whose names the vessel is entered must be on board for both races and be in command of the yacht.

Again we remind all participants that good hard racing, which is a major contribution to the success of Off Soundings, must not obscure the necessity for using good judgment and seamanship. With a fleet this size, one must continually anticipate and plan to avoid impossible tactical situations that can result in injury to crewmen and damage to our vessels. A good working knowledge of the racing rules together with a measure of consideration will make for the best race.

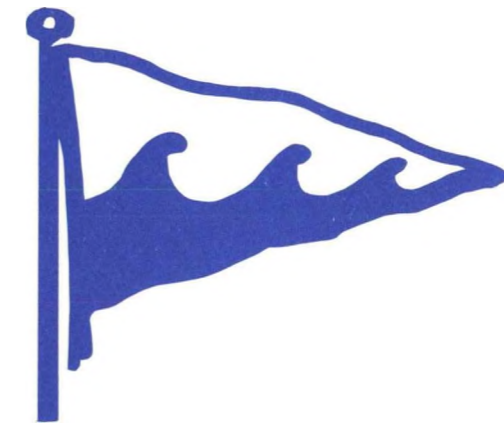

Please Note: Past Commodore Henry B. du Pont has reported that NOR'EASTER, after years of service, will be out of commission for overhaul during the Fall Races. However, we look forward to that familiar profile in the Spring. Ray Avellar of Stonington, Connecticut, has graciously offered the services of his vessel SUNFLOWER for our Fall Series. She is a white 42' Trawler design vessel with steady rig.

### PRIZES

Prizes will be awarded as follows: First prize, if three or more boats start; Second prize, if five or more start; Third, if ten or more start, and Fourth, if fifteen or more start.

As is customary during club races, all prizes are given on a "corrected time" basis computed from the results of two days of racing. Handicaps are added to former prize winners. Any boat winning a first, second or third prize will carry a penalty until the boat and owner have participated in three additional race series, at which time the oldest incurred penalty will be removed. The penalties are 15% for a first place, 10% for second, and 5% for a third, with a maximum of 45% total penalty.

Please note that included in this Results envelope is an order blank for copies of the 1969 NAYRU Racing Rules incorporated with a NAYRU membership blank. The North American Yacht Racing Union deserves the support of each and every yachtsman.

Members have reason to be proud of the turnout for the Fall Race Series. Almost 94% of the entries participated in at least one day of racing.

Let's keep that spirit up at the Dhow Derby, Saturday October 18th, at Mystic Seaport. Last year's event was the most enjoyable in years.

With best wishes for a good winter,

Sincerely,

Donald P. Robinson  
Race Secretary

OFF SOUNDINGS CLUB

October 3, 1969

To the Members:

Another successful Fall Race Series has concluded and I do not think anyone would argue too seriously with the good luck we had with the weather. So far as I know, good racing was enjoyed by everyone though the elapsed times were perhaps longer than would be desired because of the adverse effect upon the availability of results. We regret that necessary rigid enforcement of our entry deadlines might have disappointed some of the regular participants but, in fairness to all, your Commodore and Race Secretary could pursue no other course.

I am sure that the membership would join me in thanking all of the hard-working committee chairmen and the members for looking after the various responsibilities that a race for 185 boats and the number of people thus involved require. Members and guests alike pitched in when help was needed. We are all painfully aware of the Launch Service at Three Mile Harbor and your governors will be giving a great deal of attention this winter to efforts to alleviate a bad situation before the Spring Series.

Unfortunately, in spite of continued reminders, some things happened over the weekend that just shouldn't, and your Commodore is acutely aware of one such event. My dinghy was borrowed Saturday night or Sunday morning early, used, and then the offender lacked even the courtesy to return it to the beach but rather left it adrift when leaving the harbor. He will be spoken to personally, but among gentlemen, such a thing should not have happened at all.

Dates to remember for next spring and fall are included in this mailing as well as a reminder about the Dhow Derby and the date of our annual meeting in the spring. We sincerely hope the winter is not too long nor arduous and I look forward to seeing the membership in the spring.

Sincerely,

John E. English  
Commodore
