OFF SOUNDINGS CLUB

OFFICE OF  
RACE SECRETARY  
NILES HILL ROAD  
WATERFORD, CONN.

September 28, 1955

NOTICE

Attached are the results of our Eighteenth Annual Fall Race. About 145 boats participated and very few will soon forget the light (?) wind and strong current on Saturday morning. Although the first boats in Classes A-2, C and Schooners did not finish before the 5:00 P.M. dead line on Saturday, we are giving their corrected times for that day in hopes that they will be of interest to those in these Classes and may prove something.

The possibility of starting at a different buoy on the second day, in the future, and the shortening of the time between starts to ten minutes will be discussed by the Board of Governors.

Through a regrettable oversight mention was not made in the Final Notice of the Race of the prize to be known as the Beaufort Reeves perpetual trophy which has been donated, in his memory, by his many friends. This trophy will be awarded annually to the boat in Class C having the best corrected time determined by the combined results of the Spring and Fall Races.

The Beaufort Reeves, Samuel Pepys, Kenneth B. Millet and Charles J. Koch trophies will be awarded at the annual Winter Shore Party which will be held on March 17, 1956.

Thanks to everyone who contributed to the "liquidating" fund.

Sincerely,

OFF SOUNDINGS CLUB
