

OFF SOUNDINGS CLUB

June 3, 1961

OFFICE OF  
RACE SECRETARY  
8 CHESTNUT HILL SQUARE  
GROTON, CONNECTICUT

FINAL NOTICE

Enclosed are the following:

1. Race instructions
2. Rating sheet
3. List of prizes
4. Chartlet of Montauk Harbor
5. Identifying number (to entries only)
6. Identification list (to entries only)
7. Posting of membership candidates (to members only)

You will note a total of 163 entries. A fleet of this size requires good judgment and seamanship to avoid injuries or damage to property. A good knowledge of the racing rules together with a measure of consideration will make for the best race.

This year the Club is endeavoring to divide Class C so as to provide more equitable racing. You will note, therefore, that Class C-1 is made up of the more classical racing vessels, whereas C-2 consists of vessels very difficult to rate under measurement rule.

Commodore Henry B. duPont has graciously provided Bill Thomas and his Race Committee with the use of NOR'EASTER as a committee boat. The Coast Guard will have a patrol boat assigned to patrol the races; this through the courtesy of the Commander 3rd District, U. S. Coast Guard.

The Navy has advised there will be no operations in the restricted area around the Ruins on Friday or Saturday, or in the Prohibited Area 207.30 SE of Fishers Island.
