

SEAPORT VIDEOS

Relive the competition! See old friends and new opponents, pretty boats and not so pretty weather. And, add plenty of nice camera work, upbeat music, and live sound to this video record.

The OFF SOUNDINGS 1993 videotape, which was presented at the April 1994 awards dinner, is the latest recorded chapter of the spring and fall racing series. This is an excellent memento of our 1993 season. Bill Ames has added his now famous commentary to this 50 minute program. OFF SOUNDINGS 1993 is \$14.95 plus \$3.50 UPS shipping from:
