FINAL NOTICE

The Ninth Annual Fall Races Sept. 20th and 21st

We are attaching hereto final instruction sheet with starting times and courses. We also enclose a list of entries by classes giving their ratings and time allowances.

It is not too late for any who wish to contribute to the "Liquidating Fund". Thanks are extended to all who have already contributed.

The Montauk Yacht Club has kindly opened their club house Friday evening Sept. 20th to all members of the fleet. The Yacht Club will provide launch service

The Entertainment Committee will be on hand from 5:00 P.M. on.

The Shelter Island Yacht Club have very kindly opened their club house to all members of the fleet Saturday Sept. 21st, where the Entertainment Committee will again be on hand and where announcement of winners will be made. Launch service will be provided.

We are continuing the additional handicap of 10% to former first prize winners, 5% to former second prize winners, 3% to former third prize winners limited to winners for a two year period, maximum 25%.

PRIZES

In each class if three or more yachts start the first day, there will be a first prize. If five or more a second prize. If twelve or more a third prize. The prizes will be awarded on the basis of the lowest corrected total time for the two days.

The United States Coast Guard Academy has very graciously offered to provide the schooner "Curlew" to act as Committee Boat. The club wishes to extend thanks for their cooperation.

Newcomers to our race will find that they are run in an informal manner. However, all right of way rules are strictly enforced.

The Race Committee will meet immediately after each race to determine the winners. We do not expect to be able to give the standing of all boats immediately, but complete standings of all yachts will be mailed to the owners as soon as possible after the races.

For additional instruction blanks and any information apply to Paul Sperry on "Sirocco", Stan Bradford on "Windward", Blunt White on "White Mist", and Mel Southworth on "Felicia III".

Final instruction sheet for the Ninth Annual Fall Races

Sept. 20th and 21st starting from New London

Except for lack of wind or too much, or presence of fog too thick for safe maneuvering at the start, the races will be started at the times and sailed over the courses given herewith. If there is a postponement the Committee Boat will hoist a signal flag "P". Postponements will be 15 minute periods.

Regardless of the time of start the time limit will expire at 5:00 P.M. daylight saving each day. If any boat finishes by 5:00 P.M. daylight saving it is a race for that class.

After 6:00 P.M. finishing boats will take their own times, 1st day when Bell bears West. 2nd day when Bell bears North East.

Classes A and C will sail long course.

Class B will sail short course.

If it should appear that due to a very late start the long course could not be covered within the time limit, all classes will sail the short course. This would be announced from the Committee Boat.

To recall a yacht that starts ahead of time a horn will be blown from the Committee Boat. As you know, failure to blow the horn or to hear it does not relieve the yacht starting ahead of time and failing to re-start from being disqualified. If any gun mis-fires the flag will govern.

Running of engine after the Preparatory Signal of the yacht's class will disqualify such yacht.

Immediately after crossing the finish line each day every yacht MUST report its identity to the Committee Boat to avoid errors.

All Government Marks must be observed.
