Nonsuch Class President

Dear Jack,

Recently at the April Board of Governor's meeting a motion was made and approved to make the Nonsuch class a permanent Off Soundings Club racing class. The Nonsuch boats were racing as a special invited class and as such they did not qualify for a perpetual trophy. Now that it is a permanent class a perpetual trophy will be awarded at the 2011 Annual Awards Dinner.

The rules that apply to permanent Off Soundings Club racing classes will now apply to the permanent Nonsuch class. Please review the Notice of Race, The Constitution and the By-Laws for specifics. As participants of a permanent class the boats will need either an Off Soundings Club rating certificate or if they choose an ECSA racing certificate. Paul Jennings our Club Measurer can answer any questions about the rating certificates and Jim Francis the Race Secretary will handle any questions having to do with classes and the races.

Thank you for all the work you have done to get the other Nonsuch boat owners to come out to race and also for your efforts in getting so many of these boat owners to apply for membership. It is through the efforts of members such as yourself that keep the Club strong and thriving. We are very pleased to have the Nonsuch class as a permanent class. See you on the race course.

Sincerely,

Kathy Nauber
