### NOTICE

Commodore Anderson has called a meeting of our worthy Historian, the Board of Governors and all Committee Chairmen for Saturday April 17, 1999. The meeting will be held at 1500 at the Sung Feng Seminar Room at the Department of Marine Science, Avery Point, University of Connecticut, Groton, Connecticut.

Agenda for the Board meeting and the Annual Members meeting, which follows the Board meeting at 1800, are enclosed.

The Department of Marine Science is located on the Southeast corner of the Avery Point campus, immediately East of the Branford House, "the Mansion". Access to the building is best accomplished from the West entrance of the campus. This entrance is a direct extension of Shennecossett and there is water to your right as you enter. Follow the Road to the Branford House and park between it and the Marine Sciences building that is immediately to the East. The entrance to the Marine Sciences building is on the West side of the building. The Sung Feng Seminar Room is on the second floor.

Note that a 15-MPH speed limit is strictly enforced on the campus.

If construction requires any last minute change to these parking directions, we will let you know at the luncheon preceding the meeting.

Sincerely,

Neal H. O'Connell  
Secretary
