Mr. Stanley M. Cooper, II
45 Mulberry Point Road
Guilford, CT 06437

Dear Mr. Cooper:

I have been retained by The Off Soundings Club to resolve the issue regarding clubhouse royalties owed to The Soundings Club.

Please consider this letter part of the process of debt collection.

It is my understanding that informal practices have not really worked out in this matter which obviously would have much preferred by all parties involved.

Please consider this letter a demand to make payment of the obligation of you and the Clubhouse of Off Soundings in the amount \$1,000.

If payment or a satisfactory arrangement is not worked out within the next thirty (30) days I have been directed to initiate a lawsuit to collect these unpaid royalties. Again, informal voluntary resolution of this would be preferred by all parties. I look forward to hearing from you in a substantial way in this regard. Absent that, we will avail ourselves to bringing a lawsuit.

Sincerely,

David A. Kelly
