### Off Soundings Club Members and Guests

The Club and our members have enjoyed a successful Spring Regatta at Block Island, with some terrific weather and great competition. We are fortunate to have a first class Race Committee running these events for us and doing such a great job. Special thanks to everyone who made this Spring Regatta successful. Enclosed you will find the race results for the Spring Series. Congratulations to all participants! Also enclosed, is an entry form for the Fall Series. I hope that you will sign up and join us for the Greenport Rendezvous. We have invited the Shelter Island Etchells' Class to race with us on Saturday. We welcome them and look forward to meeting with them at the Shore Party.

The NOR for the Fall Series was mailed to all members and participants in the Spring mailing. If you have misplaced yours, it is available on the Club website. The SI's will be mailed to all entrants in the week prior to the event.

Also enclosed is an errata sheet for page 7 of the OSC 2008 Yearbook, recognizing Jamie Mills as our Greenport Liaison rather than Fleet Surgeon. We apologize for this error and welcome Jamie in his liaison role.

Again I ask that all skippers take note that the legal age for the consumption of alcohol in New York is 21. Please be sure that any minors in your crew comply. Discounted party tickets are provided for this purpose with a variety of soft drinks available under the tent. Please mark your entry forms accordingly. Also remember that we will be guests in Greenport; please ensure that we leave a good impression of the Off Soundings Club with their residents.

As we continue to commemorate our 75<sup>th</sup> Anniversary year, there are still a limited number of anniversary neck ties, coffee mugs and videos available. They can be obtained in Greenport or from Sarah Porter.

Finally, mark your calendars now; the annual **Dyer Dhow Derby at Mystic Seaport** will be held on Saturday, 18 October, at the Seaport. Please let us know if we can count on you as a participant.

I hope that you continue to have an enjoyable summer sailing season and look forward to seeing you in the fall.

Regards,  
Bob Geary
