OFFICE OF
RACE SECRETARY
194 LOWER BOULEVARD
NEW LONDON, CONN.

NOTICE

Attached are the results of our 22nd Annual Fall Race Series. We had 181 entries and 147 boats raced.

After the rough weather of the spring races, it was indeed a pleasure to participate in the fall series which was marred by only one mishap, namely, the dismasting of Frank Leuthner's MERMERUS on Friday. There is nothing like the rolypoly harbor at New London. Possibly some of you saw the two sloops anchored off Burr's which locked masts due to the abnormally sharp swells. Also, one of the boats, SOLITAIRE, had her jumper struts knocked off by the rolling of another boat in an adjacent slip. The only other item of interest was the picking up of a plywood pram, painted blue inside and white outside in Gardiners Bay Sunday about 9:00 a.m. complete with oars and oarlocks. If anyone is missing a dinghy, they can retrieve it by getting in touch with Fred Minson, who picked it up.

Many thanks to all for your contributions which help us conduct these race series, and oil the machinery of our Liquidating Fund. Practically everyone contributes most generously with the exception of a few hardy perennial Scotchmen. Maybe they don't drink, however, this is difficult to imagine.

Members may still obtain solid silver Off Soundings Club tie pins from the Race Secretary; cost is \$5.00 each.

As you all know, the Bermuda race takes place next year; the start being Saturday, June 18, 1960. In Bermuda years, we usually have an additional twenty to thirty boats racing with us which adds to the overall work load and next year many of the present measurement certificates will expire. If you do not contemplate any changes, we strongly urge you to have your boat measured this fall before the final hauling out. We also are giving the maximum amount of time between the first notice and the closing date for entries so that the new measurement certificates may be completed on time. As usual, there will be no extension of time granted to any late entries.

Listed below is the spring race series schedule:

SPRING RACE 1960

First Notice	April 8
Closing Date for Entries	May 19
Final Notice	June 3
Race Dates	June 10-11

It will be your responsibility to get in touch with the Race Secretary immediately if you have not received your first notice approximately three days after the first date of April 8th.

In keeping with our new policy of announcing the Perpetual Trophy Winners, at this time listed below are the winners, together with the runners-up for the Perpetual Trophies for the year 1959:
