Vice Admiral Walter A. von Rentsell  
12 West 56 Street  
New York 19, N.Y.

Dear Admiral von Rentsell:

Thank you very much for your letter of April 21st and the list of seven boats which are coming from the Argentine for the Bermuda Race.

As Blunt White has probably already advised you, we have decided to make an exception in our normal maximum length and allow PONTONA to enter our races.

You will receive 10 copies of our first race notice for distribution to the owners as soon as they are out.

If we can be of any further assistance, kindly advise us.

Sincerely,

OFF SOUNDINGS CLUB
