Date Change Notice Spring Race Series

The dates for the Off Soundings Club's 1995 Spring Race Series had previously been published as June 16 & 17.

In order to avoid a conflict with the start of the Marion-Bermuda Race on June 16th, the Off Soundings Club Board of Governors has moved the 1995 Spring Race Series to June 9 & 10. Racing will take place from Watch Hill Point to Block Island on Friday and in the vicinity of Block Island on Saturday.
