To: Off Soundings Board Members & Committee Chairmen

From: Commodore Gunther

Peter Brinckerhoff has kindly offered to donate a perpetual trophy in memory of Salle Evelyn. Apparently Salle was well known to a number of Off Soundings Club members and was very well liked. As I have discussed this with other Board members a few questions have been raised which deserve consideration:

1. Does Off Soundings currently want more perpetual trophies?
2. Traditionally, perpetual trophies have been in the memory of Off Sounding Club members. Is it appropriate to deviate from this precedent?
3. Is it desirable to have a trophy which will be awarded exclusively to women?

Please give these and any other arguments for or against serious consideration prior to the meeting on October 26th. I look forward to seeing you then.
