OFFICE OF
PUBLIC RELATIONS CHAIRMAN

Paul C. van Dyke

7 April 1979

Dear Commodore Robinson,

Your Public Relations Committee is again pleased to report the continuation of a mutually harmonious rapport with the various media over the past season. Although, we have not as yet sold "Wide World of Sports" on the merits of a few spots highlighting a snappy rounding of LBI to relieve the boredom of Lake Placid in 1980, we can report having convinced the "60 Minute" crowd that a splashy dive into Bill White's term of office would only have local appeal not international repercussions. Our regular press friends continue to faithfully and accurately record our race series results.

At the many committee meetings held this past winter, while slumped on a Poma lift high above Ludlow, Vt. many suggestions were voiced. Most were quickly discarded without formal vote- no Freedom of Information here-, however, one seedling took root, and it was unanimously voted to forward the thought to the Board of Governors for their consideration. In short it concerns the adoption of a Club motto in keeping, of course, with the idea that being a bit different is a good thing.

Your Committee therefore, offers the Latin phrase " Navigo Decore ". This, for the benefit of Ed Raymond translates, "to voyage with distinction" or more freely " to sail with class".

Respectfully,
