Membership Committee Report

1. A membership committee consisting of three members and a chairman is in existence.
2. Currently there is one complete application which is ready for submission to the committee for their review and action. *5 requests for applications.*
3. In, addition, I have a request from Mr. Donald Farrington of Front Street, Noank for reinstatement. Mr. Farrington resigned some nine or ten years ago following the loss of his boat in Gloria. I understand he resigned in good standing, and if that is the case, I would move approval of his reinstatement subject to payment of any appropriate current dues. *(He now owns a Tartan 27)*
4. I would solicit the Board's help in making sure that proposers read and follow the instructions which are sent along with the application form. It will simplify and speed up the entire process when the proposer does a complete job. It is some work, but the applicant should be worth the effort.
