The seaport will have room and things to do for all.**

### **SPECIAL EVENT!!!**

#### **DYER DHOW DERBY**

**We are working with the Seaport Waterfront Department to have members only racing in the Seaport Dyer Dhows on the Mystic River off the North Dock on Saturday afternoon. Registration will be limited and there may be a small extra cost. Whether you come by land or sea this will be great fun as either a participant or spectator. Stay tuned and be prepared to register very early for the Rendezvous and for this special event.**

**The racing can be viewed from the North Dock and will be followed by cocktails for all aboard members' host boats moored at the docks. This will be followed by a waterfront dinner in the Boat Shed on the south shore of Lighthouse Point.**

**This fall there will be a detailed mailing and e-mailing with a complete list of events and a survey to determine interest and determine how many may attend and how they are likely to come by car or boat, and for which days. The registration and reservation period will begin early in 2008.**
