Dear Bill,

December 4, 1992

I have done some further work on the Donovan Trophy project and wanted to pass it along.

I would propose to furnish a 16" x 24" walnut perpetual plaque purchased from A. G. A. Correa. I favor the layout that is shown on the right on the attached sheet. The plaque would have room for twenty annual plates, ten of which I will furnish with the trophy. On the large plaque on the walnut board I would propose to have etched a line drawing—from the water line up— of Not By Bread Alone (I will need to get a line drawing—I will contact one of the crew of NBBA) with the following inscription below the line drawing.

WILLIAM J. DONOVAN
MEMORIAL TROPHY

Presented to the Off Soundings Club by Peter R. Brinckerhoff in memory of his friend Bill Donovan. Awarded annually to the yacht with the best combined results, corrected time, for two consecutive years in Classes C-1 and C-2.

The exact scale and layout of the lettering I will work out with Tony Correa and present to you for your approval. However the plaque on the right on the attached sheet seems to me to be a good example of proportions and layout.

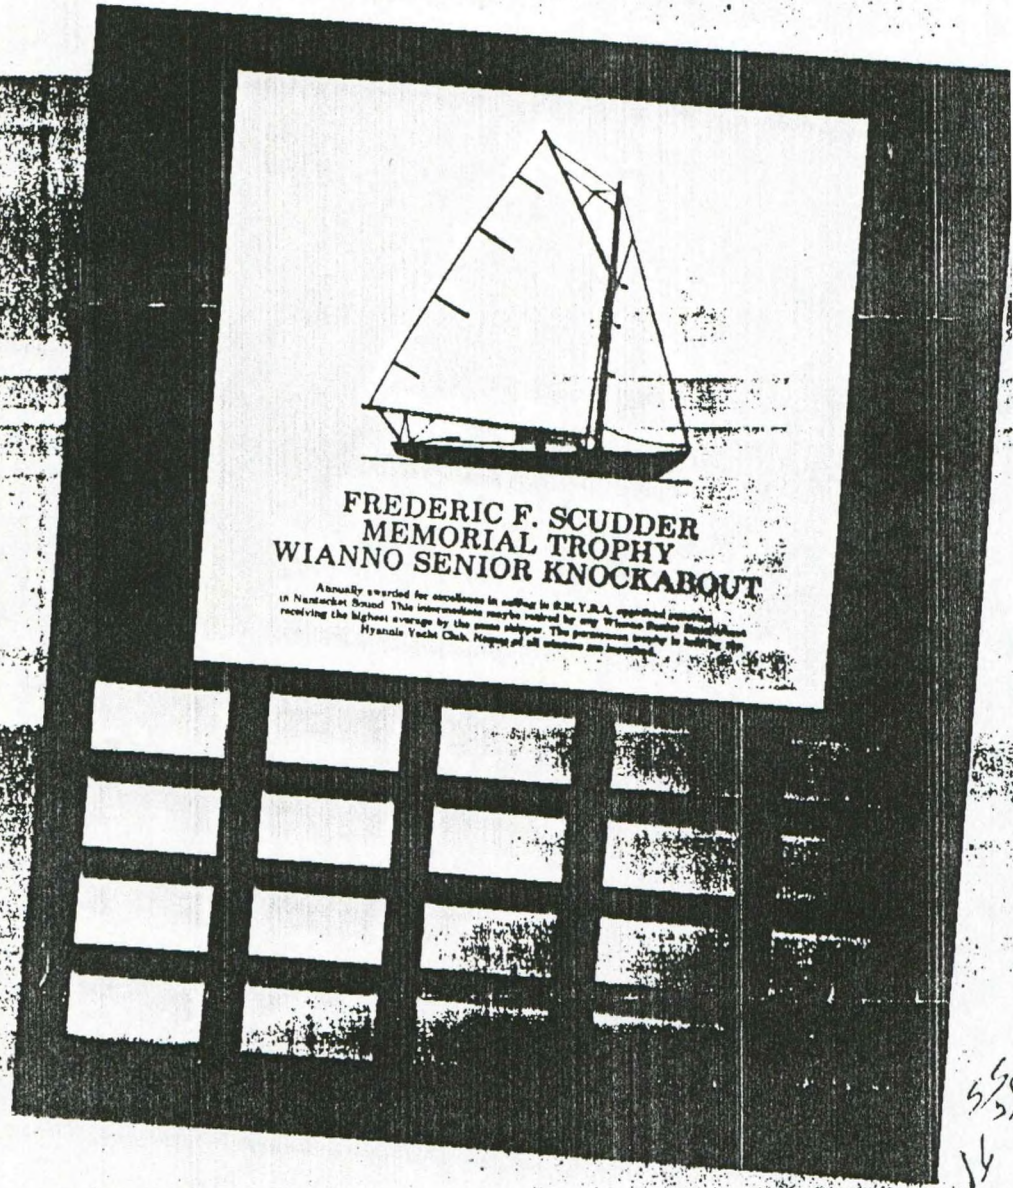

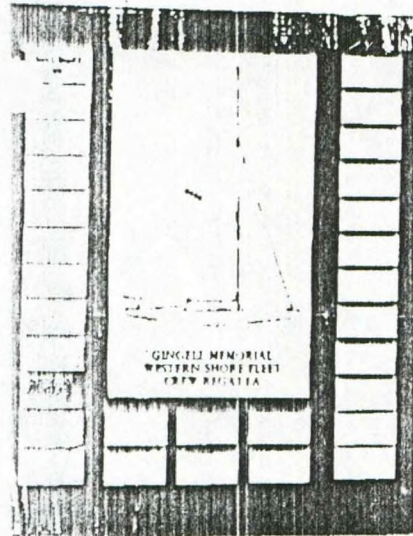

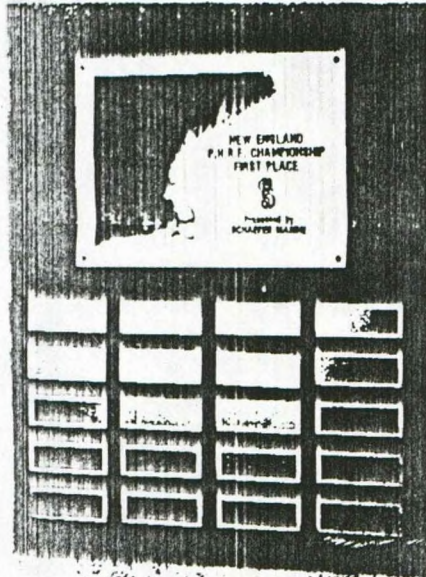

I will look into getting a box for the trophy. Do you have any ideas in this regard.

Please let me know after the January board meeting if I should go ahead and take the next steps to make the trophy a reality.

Yours truly,

Peter Brinckerhoff
