To: Commodore John Brooks
From: Vice Commodore Neal O'Connell
Subject: Vice Commodore's Report

1. The 2004 Shore Party is confirmed at the Seamen's Inn for a party of 116 paid guests. There are no members of the Race Committee who have requested dinner.
2. The Upstairs room is available for our Annual Meeting.
3. A list of 30 and 50 year members is attached. I will try to keep track of any other members who should accompany the member who registered for dinner. Board members are encouraged to advise me on potential 30/50 year candidates so I can add them to the list.

Respectfully Submitted
