September 29, 1987

Dear Off Soundings Member:

The Fall Series of our 50th Race Year was obviously a disappointment to you and all the committees that worked so hard in preparation for this event. The decision to call off both races was difficult but correct. The hazardous conditions continued to escalate rather than diminish.

I wish to thank especially Andy Anderson, Race Secretary, Larry Jacobsen, Race Committee Chairman, and Bill Loweth, Entertainment Chairman, for their efforts in our behalf.

The Flag Officers and Board of Governors will be meeting shortly in planning the 1988 season.

Regards,

James B. Slimmon, Jr.  
Commodore
