EMAIL NOTIFICATIONS (continued)

methods to augment our communications, and where feasible, reduce our costs.

With the help of Webmaster Gerry Keeler we will be conducting some tests over the early part of 2007 to get information on the accuracy of our email database, and obtain information regarding the willingness of our members to get some of their communications electronically.

We will need your help, and your patience, as we work our way through this project. For those of you who have given us your email addresses already watch for an email after the first of the year.

On behalf of your Board, I wish you fair winds and smooth sailing in the New Year

Sincerely,
Ron Breault
