Report of Off Soundings Club/Shelter Island Yacht Club  
Liasion Committee

Dear Commodore Granbery:

I am pleased to report that preparations for the opening of the Shelter Island Yacht Club are well underway and everything should be in top shape for the arrival of the Off Soundings Club on June 14th. Based on the exchange of correspondence, I believe the understanding between the clubs have been formalized which should help this year's event to run smoothly. With respect to mooring facilities it is anticipated that approximately 25 to 30 moorings will be available upon arrival of the Off Soundings fleet. John Mulligan has taken over the duties at Shelter Island Yacht Club of dock master and will be responsible for the water activities during that weekend. John Lockwood and myself should be contacted at any time in connection with preparations for that weekend.

Respectfully submitted,

John Lockwood  
Louis J. Bevilacqua
