REPORT OF THE RACE SECRETARY

OFFICE OF
RACE SECRETARY
THOMAS M. RUSSELL, III
RIVERBEND ROAD
BOX 254 A
MYSTIC, CONN. 06355

16 October 1976

1. Recommend purchasing 1st class mailing permit so envelopes for all OSC mailings may be pre-printed thus reducing postage and stamping efforts (6 mailings - 4200 stampings).
2. Recommend publishing requirements of complete entry - signed entry, measurement and check received by closing date.
3. Recommend publishing scratch refund policy - scratches by noon Thursday will have donation refunded.
4. Consider dividing donation into two parts - yacht donation and party donation. Fixed race cost \div by yachts = yacht donation. Party and launch cost \div people = party donation.
5. Consider some type of party identification - we know some yachts are bringing more people and that non-sailing friends and acquaintances are attending parties.
6. Recommend requesting late entries, one day racers and other non-participants not to sail along the course. It is practically impossible not to interfere.
7. Recommend putting pictures in race book - officers, governors, committee chairmen, committee boats, etc. Better visual recognition of the leadership.

Respectfully submitted,

Thomas M. Russell, III
Race Secretary
