RESULTS OF FALL RACE SERIES, 1963

Enclosed are the final results of the 26th Annual Fall Race Series. Corrected times shown have been computed from actual elapsed time for each class to facilitate comparison of corrected times between boats of different classes.

Engraved prizes will be mailed shortly to the first four boats in each class with the exception of Class C-1 wherein the first two boats only will receive a trophy.

Very strong northeast winds on Friday morning dictated a prudent four-hour postponement, the abolition of spinnakers and the short course for all classes. Hull speed was the order of the day, and Bill Thomas' group had a rough time keeping track of the finishers as they crossed in groups of three and four at a time.

Saturday was just about the same, but the smaller classes found some protection in Gardner's Bay. Not so the big fellows, who had to go out to Constellation Rock. It was a long wet beat, but, with full sunshine, not cold.

Treasurer Leo Geyer is gratified by your contributions. We hope that those few who forgot will send something along.

Listed below are the Perpetual Trophy winners for the year 1963. Trophies will be presented at the Annual Winter Meeting.
