Dear Ted.

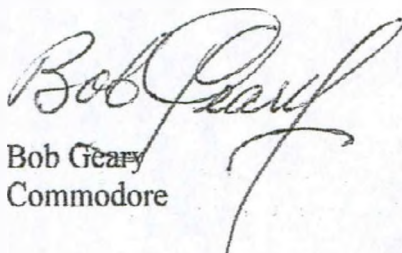

As we discussed previously, the Off Soundings Board voted in their January Board meeting to continue the relationship with Zuse under same terms as our previous agreement. Based on our telcon discussions I understood that a continuation of these terms were agreeable to you.

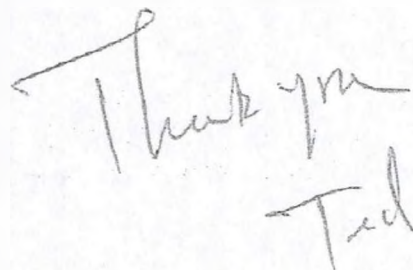

I have enclosed two signed copies of the agreement. This document is identical to our previous document except I have added a line immediately above the signatures to indicate its extension through December 2009. Please sign them and retain one for your records and return the other to me at the above address.

I also call your attention to the last two sentences in paragraph four wherein we request a year end statement from Zuse. This request is unchanged from our previous agreement. This report should identify the royalties due on any non-regatta items sold outside of the regatta events.

On behalf of the Officers, I look forward to seeing you at our Annual Shore Party and Dinner at Mystic Seaport on 4 April and at Block Island this spring.

Good Sailing,

Bob Geary
Commodore

Thank you
Ted
