PROTEST

A member of the Race Committee will be aboard the Committee Boat to observe any infraction of the rules, should they occur.

The racing rules are concise and easy to learn. Your familiarity with them will make for a better race for everyone. Know your rights, but consider your competitors, particularly when steerageway is questionable.

If protest is necessary:

1. Immediately display the red flag in the starboard rigging.
2. Verbally inform the Race Committee on the Committee Boat immediately after crossing the finish line.
3. Leave a brief written summary with the Race Committee at the Block Island Marina office or with the Race Secretary. Remain within ear shot of the public address system to hear where and when the protest meeting will be held. The Chairman of the Protest Committee will announce the time and place of the meeting.

4. NAYRU Numbers. North American Yacht Racing Union requirements regarding sail numbers, published over a year ago, are mandatory for Off Soundings participation. The following is quoted from the NAYRU Year Book as amended by the November 25, 1969 letter. "By January 1, 1970 class numbers must be replaced for yachts racing in off shore events by assigned NAYRU numbers which shall be affixed to mainsails, spinnakers, and all overlapping headsails; however, headsails whose "LP" measurement does not exceed 130% will not have to be numbered. Class insignia, however, may continue to be displayed. A NAYRU number for your vessel may be obtained by writing North American Yacht Racing Union, 37 West 44th Street, New York, New York 10036." Failure to conform will be cause for disqualification.
5. Racing Equipment. It is urged but not required that Off Soundings yachts conform to the NAYRU Off Shore Equipment List for Class Four (4) events. This list is available from NAYRU at \$.25 per copy.
6. Neither radar nor Loran may be used.
7. 1969 NAYRU rules shall apply throughout the race unless altered by Off Soundings notice and except when meeting non-racing boats, at which time Rules of the Road shall govern. Rule 21A of Part III shall not apply.

AT FINISH

1. Identification number is to be displayed a half mile from the finish line and faced toward the Committee Boat so that it may be clearly seen. See instructions on back of yellow number cards.
2. TIME LIMIT: Regardless of time of start, the time limit for each class will expire at 1800 on Friday and 1700 on Saturday. If any yacht finishes by that time, it is a race for her class. However, the Race Committee Boat will remain on station only one hour after the time limit. Yachts finishing after that time should take their own time and report it to the Race Committee Chairman as soon as possible.
3. On Friday, if the Race Committee Boat NOR'EASTER cannot reach the finish line at Block Island in time, the finish line will be established by LOUBENVAR, a 38-foot white sport fisherman with flying bridge, Ben V. Harrison, Jr., Captain.

5. Postponement will be for 15 minute periods and will be signalled by code flag "P". Attention to this signal will be called by two guns. The warning signal (white shape) will be made thirty seconds after the lowering of code flag "P". If postponement is made after the start of the first class, there will be a warning signal (shape to be start signal of previous class) five minutes before the preparatory gun of the next class scheduled to start.
6. Short courses for Classes A-1, A-2, B-1, and C-1 will be signalled by code flag "S". Attention to this signal will be called by one gun. The short course will be that sailed by B-2 and C-2.
7. Race off for the day will be signalled by code flag "O". Attention to this signal will be called by two guns.
8. Refer to course sheet for alternate starting line location signalled by code flag "L".
9. Reverse Course for all classes for the second day will be signalled by code flag "R". Reverse course signal for classes B-2 and C-2 signifies only that Nebraska Shoal Nun "2NS" will be left to port. Yachts will still be required to pass to the westward of "1-B-1", as described in Saturday course instructions.
10. General Recall will be signalled by flying the first repeater and firing two guns, and indicates the class is recalled for a fresh start. The class will restart after the last scheduled class has started (normally C-2), or in the event of recalls in more than one class, the recalled classes will start in their normally scheduled sequence after all regularly scheduled classes have started. The starting signal for the prior class will be the warning signal for the class restarting. The restarting signals will be those normally identifying that particular class. Any rule infractions prior to the general recall signal are voided; and the engines running rule takes effect on the preparatory signal for the restart.

FOR RACE

1. Government marks may be disregarded except for those marking the course being sailed, unless otherwise indicated in this circular.
2. In case of thick weather, yachts rounding course marks must see and identify each mark being rounded, unless otherwise specified in this circular. It is not sufficient to assume that a mark has been rounded by the yacht's presumed position.
3. In the event that a mark of the course is not on station, a power boat flying a large distinctive flag and an Off Soundings Burgee will serve as the turning mark.

COURSES SATURDAY, June 12, 1971

Starting Line. To eliminate congestion at the entrance to Salt Pond, the starting line will be between the Committee Boat and Stake Boat, located approximately 0.5 miles northeast of Bell R "2". The Committee Boat will lie to the westward of the Stakeboat. White flags on both vessels will indicate the starting line. This starting line will also serve as the finish line to be crossed in a north to south direction for all courses.

Classes A-1, A-2, B-1, and C-1 -----Long Course 22.6 miles

Cross starting line, thence in a north northeasterly direction to Nebraska Shoal Nun "2NS", leaving to starboard; thence in an east southeasterly direction to the Point Judith Whistle R "2", leaving to starboard; thence to the finish line, between the white flags on the Committee Boat and Stake Boat located in the starting area. Yachts must pass to the westward of "1-B-1" on the first and third leg of the course. "1-B-1" is exempted from the identification requirement.

Classes B-2 and C-2 -----Short Course 16.8 miles

Cross starting line, thence in a north northeasterly direction to Nebraska Shoal Nun "2NS", leaving to starboard; thence to the finish line, between the white flags on the Committee Boat and Stake Boat located in the starting area. Yachts must pass to the westward of "1-B-1" on both legs of the course. "1-B-1" is exempted from the identification requirement.

FOR THE STARTS

1. An orange "stand-off" buoy with flag will be anchored twenty yards, more or less, from the Race Committee Boat. No STARTING yacht may touch it or pass between it and the Committee Boat without restarting by rounding the Committee Boat to cross the line in the proper manner. Yachts so restarting shall forfeit all rights, as though they had started early.

NOTE..NOTE..NOTE...This is a Stand-Off buoy, which may not be exactly on the prescribed starting line. For timing and starting purposes the end of the line remains the WHITE FLAG on the Committee Boat.

2. Yachts not starting must keep well clear of the starting area until after the warning signal for their class.
3. Running of engines after the Preparatory Signal for her class will disqualify a yacht.
4. Recall signal will be a blast of a whistle for each yacht recalled. A yacht failing to hear or heed such whistle will be penalized by having one-half hour added to her elapsed time.

Please note that some courses have been altered from those used last Fall!!

COURSES FRIDAY, June 11, 1971

Starting line between Committee Boat and Stake Boat. Committee Boat will be located approximately 0.8 miles from and on a bearing east $\frac{1}{2}$ north (magnetic) of the Watch Hill Passage Bell R "2". The Stake Boat will be located to the eastward of the Committee Boat bearing approximately east-south-east. The Stake Boat will be flying an Off Soundings Burgee. White flags on both vessels will indicate the starting line.

Classes A-1, A-2, B-1, and C-1 -----Long Course 24.81 miles

Cross starting line; thence in a south-south-westerly direction to BW Mo (A) Whistle, leaving to port; thence in an east by northerly direction to Nebraska Shoal Nun "2NS", (4 $\frac{1}{2}$ miles west of Point Judith) leaving to starboard; thence to the finish line between the white flag on Committee Boat and Bell R "2" (located off the entrance to Great Salt Pond). The Committee Boat will be lying offshore of the bell.

Classes B-2 and C-2 -----Short Course 18.35 miles

Cross starting line; thence in a south-south-westerly direction to BW Mo (A) Whistle, leaving to port; thence in an east-by-southerly direction to Bell "1-B-1", (Off Block Island North Reef) leaving to starboard; thence to the finish line between the white flag on the Committee Boat and Bell R "2", (located off the entrance to Great Salt Pond). The Committee Boat will be lying offshore of the bell.

Alternate Starting Line Location

If, in the opinion of the Race Committee, conditions warrant it, the starting line will be established between the white flag on the Committee Boat and Nun "2" (located approximately 0.4 miles south-south-west of the Outer Stonington Breakwater Light). After crossing the starting line all classes will proceed to B W Mo (A) Whistle, leaving it to port, after which they will sail the remaining courses indicated above. For this first leg all government marks will be honored (passed on the proper side). The alternate starting line will be indicated by code flag "L", flown on the Committee Boat. Also notification will be made via radio telephone to the fleet as specified elsewhere in this circular. Time allowance will not be recalculated if this starting line is used.

RADIO TELEPHONE INSTRUCTIONS

As an aid to participants in the Spring races, announcements are planned at specified times via radio telephone. For those vessels without radio telephones or other marine receivers, it should be noted that all appropriate signals will be shown on the Committee Boat and take precedence and are in effect whether or not they are transmitted via radio telephone.

Vessels who may transmit are: the Committee Boat, NOR'EASTER; message relay boats; NIGHT HAWK, Chester A. Patterson; and LOUBENVAR, Ben V. Harrison, Jr.

Frequencies to be used are: 2638 kHz (2738 kHz 5 minutes later); 156.3 MHz, Channel 6 VHF-FM (5 minutes after 2738).

If necessary, transmission will be made at:

0800 & 0900 - General information and race instructions.
0930

1800 - General information and race instructions.

At approximately 10 minutes after the time limit, there may be announced from the Committee Boat on the frequencies and in the sequence indicated above a statement of the classes which had no finishers before the deadline, and therefore for which there is no race that day. Contestants are directed not to call the Committee Boat for such information, and the Committee Boat is relieved of any obligation to respond to any such queries. This would in no way preclude emergency procedures which properly should be made on 2182 kHz and 156.8 MHz - Channel 16.

Club Ties and Patches

Club members may obtain our new tie for \$8.00, and Club blazer patch for \$3.00 from your new Rear Commodore William B. White, whose address is Greene Plastics Corporation, Hope Valley, Rhode Island 02832. A handsome hand stitched tie may still be ordered from Mrs. Howard Smith, Mason's Island, Mystic, Connecticut 06355 for \$6.00 each. Club tie clasps may be ordered from retail outlets carrying Commodore Nautical Supplies or directly from them at 396 Broadway, New York, New York 10013. The quoted price is \$9.50 with a three to four week delivery.

Good sailing, and we shall look forward to seeing you at Block Island.

Cordially,

OFF SOUNDINGS CLUB

For your interest we are incorporating the NAYRU Identification Code describing each vessel. The abbreviation code appears in the NAYRU Book of Offshore Racing Yachts, which is a benefit of membership in our national yachting organization.

The NAYRU Offshore yacht class or type identification system uses up to six characters. The first two or three are alphabetic and approximately descriptive of the class or designer's name. (Here we have added the abbreviation custom "CTM" if appropriate). The next two are numeric, and represent the approximate over-all length of the yacht and the last is alphabetic, designating the rig. If the yacht is a sloop, no designating letter is used. Other rig's codes are: C - Cutter; Y - Yawl; K - Ketch; S - Schooner.

Note: Added designer abbreviation for K. Aage Nielsen is "NLS"
The length in quotes is the class designation, generally water line.

TIME CHECK: WTIC has a time check with tone every hour on the hour.

Tune in WARV at the times listed below for marine weather on 1590 on the AM band or 1.59 Mhz on the Marine Weather Band. Reports are made directly from the Point Judith Coast Guard, Rhode Island Yacht Club, and the U.S. Weather Bureau.

Friday and Saturday broadcasts are at 15 minutes after the hour from 7:15 a.m. to 7:15 p.m. However, there is no broadcast at 12:15 p.m. on Friday.

We have arranged for three launches with Captain Bud Philips, and the Rhode Island Development Commission will kindly provide another.

While your club officers have been working to improve launch service, please bring your own dinghy. Remember that it may be left on your anchor for Saturday's Race if you are not measured with it aboard. Finally, urge your crew to assemble for the trip out! Everyone benefits!

Finally:

If you raft, look to your fenders in that the ferries create a substantial wake. Please do not anchor in the Fairway or cable area! If you have no power please arrange for a tow out of the harbor.

We have been asked to report that the large white permanent mooring balls are no longer safe for use!

Guest Vessel Invitation

To prevent our Off Soundings classes from getting dangerously large, the closing date for guest invitations was set at March 26th for both the Spring and Fall Series. No more guests may be invited for 1971 racing.

Fall Entries

The incidence of late, misplaced or forgotten entries for the Fall Race Series is always substantially higher than for the Spring Series. To minimize this problem, if you plan to be away during the entry period, please write your Race Secretary in advance and request a Fall Entry Blank and return it immediately.

First Notice (including Spring results) July 16, 1971

Closing Date August 26, 1971

Race Dates September 17 & 18, 1971

PERPETUAL TROPHIES (Awarded to members only):

The following perpetual trophies will be awarded at the Winter Shore Party for the yacht with the best corrected time in the year's races. Penalties for former prize winners are not used in establishing the winners. These trophies are held for one year, however the winner is given a suitable plaque.

<u>TROPHY NAME</u>	<u>CLASS</u>	<u>TROPHY NAME</u>	<u>CLASS</u>
E. Standish Bradford	A-1	Charles J. Koch	B-2
Kenneth B. Millet	A-2	Beauford Reeves	C-1
Samuel Pepys	B-1	Byron N. Durfee	C-2

In addition, a perpetual trophy, the G. W. Blunt White Memorial Trophy, a gift of former Vice Commodore Thomas L. Miller, shall be awarded to the yacht with the best combined results, Spring and Fall, for two consecutive years in Classes A-1 and A-2. The award shall be made this year on the basis of the results for the years 1970 and 1971.

RENDEZVOUS

Thursday, June 10: Dock and mooring space at Burr's and Marsters' docks in New London will be available, if you reserve early.

For those participants arriving by car Thursday night, there is a large parking lot located just to the south of Burr's across the street from Marsters' dock. Pete Bergamo at Burr's is most cooperative and indicates that you are welcome to unload down in their parking area.

Burr's dock is 12.5 miles from the starting line. The current turns to the northwest at the Race at 8:12. Both Watch Hill Yacht Club, Ram Island Yacht Club, and Wadawanuck Yacht Club have generously offered their facilities to members of the fleet on Thursday night.

Additional copies of notices, instructions, rating sheets, etc. will be available at Burr's dock, Thursday evening, from the Committee Boat or Vice Commodore Owen's yawl, MAGIC. Additional copies will be available at the Ram Island Yacht Club, on board the Commodore's yacht, BLACK ARROW.

Friday, June 11 and Saturday, June 12:

We will rendezvous at Block Island Marina and "The Oar" located at the south end of Great Salt Pond this Spring. Your new Maitre du Spiritueux, Ed Purcell, has the situation well in hand, so proceed to the south side of "The Oar" to fill your needs! As you disembark at the Block Island Marina, you will be confronted by rows of trash barrels, thanks to Bill Transue, the proprietor. Bring your trash (garbage) with you (in plastic bags) and Great Salt Pond will stay as yachtsmen would want it. Your efforts in the past in picking up cups after the announcements have been great! There will be plenty of barrels for your use on the green.

FINAL NOTICE

Enclosed in the envelope are the following:

1. Race Instructions
 2. Rating Sheet
 3. Identifying Number (to entrants)
 4. Identification List
 5. Membership Chairman's Posting of Membership Candidates *
 6. 1971 Yearbook *
- * (to members only)

Please be reminded that our Off Soundings rules require that at least one of the persons in whose names the vessel is entered must be on board for both races and be in command of the yacht.

Again we must remind all participants that good hard racing, which is a major contribution to the success of Off Soundings, must not obscure the necessity for using good judgment and seamanship. With a fleet this size, one must continually anticipate and plan to avoid impossible tactical situations that can result in injury to crewmen and damage to our vessels. A good working knowledge of the current 1969 racing rules, together with a measure of consideration will make for the best race.

PRIZES

Prizes will be awarded as follows: 1st prize if three or more boats start, second prize if five or more start, third if ten or more start and fourth if fifteen or more start.

As is customary during Club races, all prizes are given on a "corrected time" basis computed from the results of two days of racing.

Handicaps are added to former prize winners. Any boat winning a first, second, or third prize will carry a penalty until the boat and owner have participated in three additional race series, at which time the oldest incurred penalty will be removed. The penalties are 15% for a first place, 10% for a second, and 5% for a third, with a maximum of 45% total penalty. To work off a penalty you must start both races in each Series and either be identified as a finisher or submit a written withdrawal as soon as possible to the Race Secretary. These handicaps are applied to rating length.

After each day's race tentative results will be announced. Complete results will be mailed later to all members and guests on our mailing list. Prizes will be mailed to winners if not picked up at Block Island after the final results. All prizes are donated by the Off Soundings Club.
