

## OFF SOUNDINGS CLUB

OFFICE OF  
RACE SECRETARY  
194 LOWER BOULEVARD  
NEW LONDON, CONN.

October 24, 1958

### NOTICE

Attached are the results of our 21st Annual Fall Race Series. We had 180 entries and 145 boats raced.

---

You will all be saddened I know, by the sudden death of Byron Durfee, Chairman of our Race Committee. This occurred Tuesday, September 16, 1958. Byron contributed greatly to the success of our annual races. He devoted many hours each year to insure successful operation of our two race series. His efforts and his kindly nature will be sorely missed by everyone.

---

Almost everyone contributed to our "Liquidating Fund". Your generosity is most appreciated. The contributions based on a minimum of \$3.00 per head for each crew member has worked out very well and should be adequate for us to meet our financial obligations.

Listed below are the dates for the 1959 race series together with the entry closing dates. This is done for two reasons: One, many clubs on the Sound like to plan their races around the Off Soundings Club dates and two, in the past, we have had a certain number of people who always call up just prior to closing dates saying that they have either not received the first notice in the mail or that they did not realize when the races were being held. Listed below are the dates and it will be the responsibility of all members and invited guests to get in touch with the Race Secretary immediately if they have not received their First Notice approximately three days after either April 10th or July 17, 1959.

#### 1959 SPRING RACES

First Notice	April 10
Closing date for entries	May 11
Final Notice	May 30
Race Dates	June 5 & 6

#### 1959 FALL RACES

First Notice	July 17

Final Notice	September 4
