This is to advise, that today, I received IRS Notice #CP210, dated January 5, 2009. A #CP210 Notice is a "Statement of Adjustment To Your Account". This notice refers to our Tax Form 990EZ for the tax year 2004. You may recall that we were appealing a late filing penalty of \$2613.12.

There is a entry block on this notice that is titled "AMOUNT YOU OWE". I am pleased to advise that the entry in this box is "NONE"!!

There are no further pending issues with the IRS of which I am aware. Similar penalties for late filing of our 990EZ returns for the years 2005 and 2006 have also been fully abated.

Our Form 990EZ for the year 2007 was filed in a timely manner, and without comment from the IRS. Our filing for the year 2008 was mailed January 3, 2009.

Sorry,

If he has done nothing, I will move forward with suit. The first step is a demand letter. This gives us the option of wage attachment. Unfortunately, recent "reforms" in our legal system have really slowed down our small claims court.

Dave

Could you please update me on the status of our situation with regards resolution? I have heard nothing from Chip since late November.
