SPECIAL NOTICE

EFFECTIVE AT THIS TIME

- I The minimum rating for any yacht sailing in the O.S.C. Annual Race Series is established at 17 feet. Yachts whose ratings calculate lower than this 17 foot minimum, shall race using this 17 foot minimum.
- II The minimum L.O.A. of vessels which may race in the O.S.C. Annual Race Series is established at 23.75 feet. Vessels smaller than this L.O.A. will not be permitted to race.
- III Excepted from this ruling are vessels which fall below these minimums but which have raced in a series prior to this date, owned by members or participating guests. These vessels will be permitted to race using ratings shown on the Vessel's Valid Rating Certificate so long as there is no change in vessel's ownership.

GUESTS

The Off Soundings Club Board of Governors have for some time been carefully considering the matter of a definitive policy insofar as the number of times any given individual may be invited to participate in our racing series, and after careful deliberating the problem a decision was reached that only two invitations would be issued to any acceptable non-member to participate in our racing events, each invitation being sufficient for any two (2) consecutive race series, such as, Fall '63 and Spring '64, or Spring '64 and Fall '64. For purposes of implementing this policy, invitations issued in 1963 will be included in determining eligibility for additional invitations in the future.
