Dear Frank,

I received a return phone call from John Norcross today in reference to a potential donation in memory of his father J. Franklin Norcross (O.S.C. Treasure 1951-55 ). This is in reference to my memo to you and Wes dated February 29, 1999.

He, John, was very pleased and receptive to the proposal that a fund be set up labeled the PERPETUAL J. FRANKLIN NORCROSS MEMORIAL FUND with interest gained and accumulated to be used for "one-of-a-kind" or "once-in-a-while" purchase of gifts to show the Club's appreciation and/or gratitude in some special area as seen fit by the O.S.C. Board of Governors. Each gift to be accompanied by a letter of explanation to the recipient that the gift was funded by the J. FRANKLIN NORCROSS MEMORIAL FUND with a copy sent to John Norcross.

John liked the idea so well he doubled the proposed gift from \$1,000 to \$2,000.

At this point Frank, you agreed to word engineer a motion to get Board approval at the April 17 meeting. Once we notify John Norcross that the Board has approved he will forward the funds.

Correspondence to John Norcross should be addressed to:  
2908 Pinewood Circle, Suffolk, VA 23435 - phone (757-483-4892).

Sincerely,

cc: Wes Maxwell
