35th ANNUAL SPRING RACE SERIES RESULTS

For those members who could not make the lunge this spring, the following brief should set the stage for the accompanying results. A moderate westerly sent seven classes off to Mo (A) Whistle, giving all hands a short warm-up beat. Spinnakers were the order of the day for the second leg, with considerable variance in conditions. The final uphill slog to the finish was gusty, with short 4 foot seas, which contributed to some last minute excitement. A slew of port/starboard protests were lodged, the Committee Boat was holed (considered a no no) and a finisher with both spreaders dangling with mast still intact.

The fleet arose Saturday to a dull, grey, rainy morning, as weather reports predicted winds of 30 m.p.h. Although the breeze was slight from the NW at the start, the race quickened as wind strength picked up to 15 in early afternoon. Most boats had finished and were snug in harbor when the weather did its thing.

The 45°F blast that followed made socializing in rafts chancy or impossible. The series ended on the bright note of awards and a minimum of protests.
