TO ALL 1964 BERMUDA RACE ENTRANTS

The Off Soundings Club takes this opportunity to invite all Bermuda Race entrants to participate in our 27th Annual Spring Race Series. These races start from New London, June 12th, racing to Three Mile Harbor with a triangular course in Gardiner's Bay taking place June 13th. The rendezvous Friday night will be at the Maidstone Marina, Three Mile Harbor and on Saturday night at the Shelter Island Yacht Club.

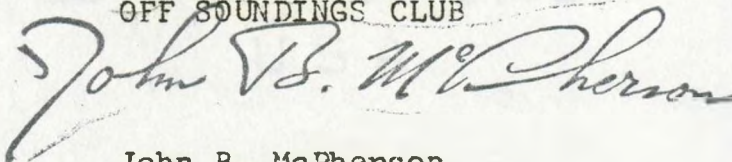

Our maximum length is 62', therefore, boats longer than this will not be eligible for any prizes or trophies. However, boats exceeding this overall length may participate if they so desire.

Your entry blank must be filed postmarked no later than May 20th. In order to participate an Off Soundings Club Measurement Certificate will have to be filed with our Club Measurer, William L. Ames, 9 Gravel Street, Mystic, Connecticut, postmarked no later than May 20th. This should be filled in by the measurer at the time he measures your boat for the Bermuda Race. The only measurement required that is not on the C.C.A. Certificate is the maximum beam.

Enclosed is our First Notice of this Race Series together with Measurement Certificates, Entry Blanks and General Instructions. Final Notice of the courses, your boat number, and other information will be mailed to you June 5th. Please show on your Entry Blank the mailing address for this Final Notice.

We hope we shall have the pleasure of your company this June.

Sincerely,
OFF SOUNDINGS CLUB
