Report

2 April 1977

Dear Commodore White,

During your sterling stewardship, the Press has continued its benevolent countenance of the Club's endeavors, and all unfounded rumors of violent rebellion have been properly squelched.

While we have not been accorded the Banner headlines of a Billy Carter Balloon ascent - neither have our race results been printed on the obituary pages.

Therefore - since good fortune comes in small packages - and all Flag Officer names have been correctly spelled - we must consider the past year an unqualified success.

Very Respectfully

P.C.V.
