Mr. Paul Craig
c/o Springfield Union
Cypress St.
Springfield, Mass.

Dear Mr. Craig:

Enclosed please find a copy of the Final Notice
for the Spring Off Soundings Race together with
a list of entries.

You will note there are 182 boats entered, and while
this is somewhat less than the record entry list of
203 last June, it looks as though there will be another
very large fleet.

I have marked the entries of owners in the Springfield
area, and if there is any other information you would
like, just let me know.

As you can imagine, the problem of phoning the news-
papers is a very considerable one. Would you want to
have an attempt made to phone your office Friday and
Saturday nights, Saturday night only, or would you
just as soon have us wait until Sunday and phone you
then so you can put the information in Monday morning.

Would appreciate your having some one phone me on this
so I can inform the Race Secretary.

Sincerely,

Phelps Brown
