

11/20/44

Memorandum for next annual meeting of the Off Soundings Club.

On November 4, 1940 we adopted an addition to Article XI, Section II regarding membership, and the wording of same was to allow Captain Stimpson to remain in the club after buying a motor sailer.

In talking this matter over with Stan Bradford today it seems advisable to change this by-law once more, eliminating all the section after "dropped from the rolls".
