Prizes and Awards Committee

### Report

The 1984 prizes for the Spring and Fall series were all purchased through A.G.A. Correa last April. Paying for them at that time enabled us to receive a substantial discount.

Both the Spring and Fall prizes consisted of glasses with the Off Soundings burgee on one side and the inscription Off Soundings Club Spring (or Fall) and position on the other side. The number of glasses awarded for first place was 18; second place - 12 glasses; third place - 6 glasses; and fourth place - 4 glasses.

The total cost of 72 prizes for both series was \$2,073 which included shipping charges. There was not the usual additional engraving cost. This compares to the 1983 series cost of \$2,495.15, 1982 series cost of \$2,374.76 and 1981 series cost of \$2,811.61.

The winners seemed pleased with the glasses and the only negatives were the groans by my crew who carried more boxes than normal.

Perpetual trophies are to be returned and engraved over the winter, and keeper plaques will be procured for presentation to the first three overall places in each class.

Attached is a listing of the cost for each position and the winners of the Spring and Fall series.

Respectfully submitted,

James B. Slimmon, Jr.  
Rear Commodore
