OFF SOUNDINGS CLUB

25TH ANNUAL SPRING RACE SERIES

OFFICE OF
RACE SECRETARY
8 CHESTNUT HILL SQUARE
BROTON, CONNECTICUT

FINAL RESULTS

Attached are the final results of the 25th Annual Spring Race Series. Entries totaled 176 with 156 competing on Friday and 157 on Saturday.

All corrected times are figured from the starting time of the first class. To compare corrected times of boats in different classes, the time difference between class starts must be taken into account.

Near-perfect weather held throughout the week end. On Friday a light to moderate westerly breeze moved to the southwest and freshened to 8-10 knots around noon with uninterrupted sunshine. Saturday saw very light airs at the start which moved from easterly to southerly at just the right instant to cause some broken hearts among the boats who had gone high of the mark at Cerberus. Moving to the southwest and increasing to 15 knots, the breeze provided a stiff beat to Three Mile for the smaller classes. Again, the sun stayed out all day.

To those who competed in this series, we enclose a plaque commemorating the 25th year of Off Soundings racing.

Those who took the pledge Sunday morning upon seeing Rhubarb comfortably rafted up with an automobile are hereby released. It was an automobile; amphibious, but, nevertheless, an automobile.

Your contributions, which reflect your interest in maintaining the high standards of our races, are acknowledged with appreciation.

Sincerely,

OFF SOUNDINGS CLUB

Rodney Paige
Race Secretary
