FALL RACE

### SECOND NOTICE

We have 55 entries for our Fall Cruise and Races. If you have not already sent in your entry blank please do so at once as the entry list closes Thursday, September 12th. If you were entered in the Spring Race and there have been no changes in dimensions, just fill in the name of your boat.

Contributions to the "liquidating fund" will be greatly appreciated, and we want to take this opportunity of thanking those who contributed so generously to this fund for the Spring race.

The Race Committee has decided to use the identical courses which were used in the Spring Race because of tide conditions, holding the first day's rendezvous at Montauk Yacht Club, Montauk Point where the club will be open except for serving food.

The second day's rendezvous will be at the Shelter Island Yacht Club, Dering Harbor. Here the club will be closed except that they will open if the weather is bad.

The United States Coast Guard Academy has very kindly offered to have the "Curlew" act as committee boat, and we are deeply grateful to them for their cooperation. Final notice with courses and list of entries by classes and time allowances will be mailed on Tuesday, September 17th only to those who have entered their boats.

Sincerely yours,

OFF SOUNDINGS CLUB

Melvin D. Southworth
