PRIZES AND AWARDS COMMITTEE REPORT

Our perpetual trophies were recalled by letter January 15th. The individual boxes will be shipped in early February to allow time for return and engraving before the Annual Meeting. Keeper plaques for the top three finishers have been ordered from the J.S. Packard Corp.

Glasses have been chosen as awards for our Spring Series, and quotations have been requested from three suppliers to assure the quality of our awards is consistent with cost consideration.

Fall Series trophies will probably be the more traditional pewterware. Suggestions and comments are always welcome.

Respectfully submitted,

F. B. George Hohenstein
